MSQC-ASPIRE Collaborative Meeting Agenda

Learning Objectives

After attending this activity, participants will understand and be able to implement into daily practice:

- Aspects of care for quality improvement in Anesthesiology
- How to control cardiovascular risk in surgery
- Adopting the Colectomy Bundle for quality improvement
- National and strategic collaborative priorities to inform surgical practice & outcomes
- Understanding the Perioperative Experience and Recovery Experience to Improve Quality
- How Collaboration improves patient outcomes
- Update on Quality Improvement in Vascular Surgery
- Synchronizing Quality Improvement in Anesthesiology and Surgery
- How to develop a specific Care Pathway
- Care Pathways - improving surgical patients' outcomes
- How to improve outcomes with reduced Opioid prescribing
- Performance Improvement in General Surgery

Accreditation and Credit Designation:

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum up to 6 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*CME credit may be used by nurses for re-licensure
