

# PREOPERATIVE TESTING REPORT WEBINAR

**WEDS., JUNE 7, 2023**  
**3 - 4 p.m. via Zoom**

Join MVC for a walkthrough of its latest preoperative testing reports with advice on how best to leverage your data

**DID YOU  
KNOW?**

PREOP TESTING DOESN'T  
IMPROVE OUTCOMES FOR  
LOW-RISK SURGERIES

Yet 52% of these patients still undergo preoperative testing, despite research evidence and national recommendations

**Stand with the evidence and #WaiveTheWorkup**
