CME Credit

After the meeting, participants will be able to:

- Apply knowledge gained from learning how MSQC is improving after reviewing data on breast cancer measures.
- Explain MRI indications in newly diagnosed breast cancer patients.
- Apply techniques for reducing re-excisions after lumpectomy.
- Demonstrate how to reduce axillary surgery in older women.
- Illustrate the benefits of viewing hernia case videos and apply best practices to improve surgical technical skill and prevent hernia complications.
- Demonstrate the benefits of utilizing a risk calculator to predict postoperative complications.
- Apply knowledge gained from smoking cessation, colorectal, urinary catheter, preoperative testing, frailty, and equity dashboard updates.
- View poster boards from various sites and apply best practices.

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this Live Activity for a maximum of 4.5 credits *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
